

1.

To become a leading provider of innovative, high-quality, and affordable auto-stirring mugs in Malaysia, beginning with the Pahang region.

2.

Redefining beverage convenience through smart technology that enhances daily routines for coffee lovers, students, and busy professionals.

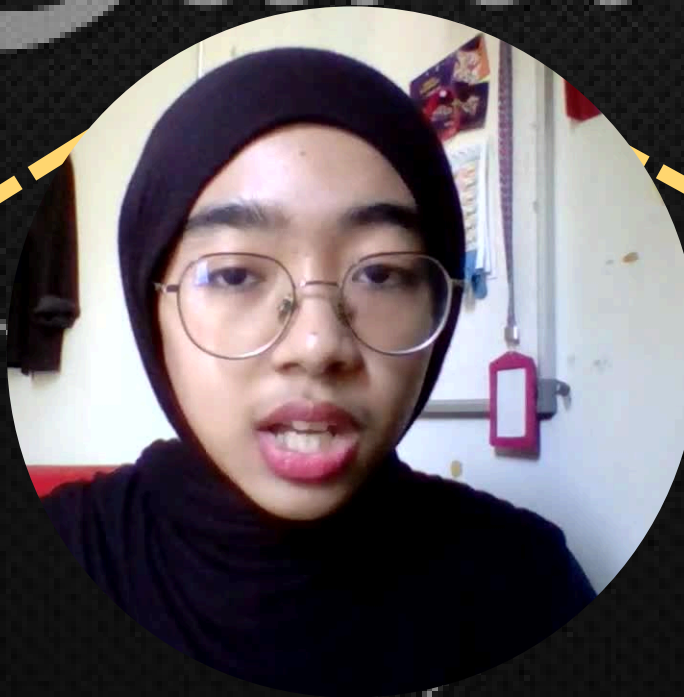

# Business Goal

3.

Build a strong, trusted brand known for blending functionality, style, and efficiency in everyday drinkware.

4.

To become a household name in smart drinkware by consistently delivering meaningful, user-centered beverage experiences.
